Scene 32

Ext. BRENDA'S HOUSE. Night.

CARL and MEGAN are bundled up at the front door. MEGAN is only wearing a sweatshirt. They ring the doorbell. AUNT BRENDA opens the door enthusiastic and already going for hugs from her brother.

BRENDA

What are you doing ringing the doorbell?

They embrace. BRENDA looks down at MEGAN.

BRENDA (Cont.)

Oh, my goodness. Megan Renee.

BRENDA reaches to give her niece a hug. It's half way accepted with a half smile.

BRENDA (Cont.)

You are absolutely beautiful. You've grown up..... Here, come in. Get out of the cold.
I got a surprise for you.

BRENDA helps them into the house. And MEGAN looks at her DAD with a half smile. It causes him to smile back.
