

4 EXT. OUTSIDE DINO'S APARTMENT

The Goon and four others pull everything out of the back seat while Princess D frantically tries to fight back.

RON

You get your hands off that!
That's not yours!

DINO

Whose is it? Huh? Yours?
Who'd you steal this from?

Ron charges into the fray, but he's wildly outnumbered and has no chance against the Goons.

DINO

Look what I found!

Ron sees Dino pulling a large briefcase out of the trunk.

RON

Get your hands off that!

Dino makes a show of opening it. The briefcase is full of checks and other documents

DINO

This yours, Ron? All these
checks... there must be a hundred
different names here. Credit
reports, applications... somebody's
been dumpster diving.

RON

That's not mine.

DINO

Call the cops.
